

NOTIFICATION

CME Activities for the Month of May

Following are the CME activities to be held in the month of May. The registration forms are available at the accounts counter at the reception of PMC. All those who wish to register themselves for the CME/CDE activities are requested to fill the form and submit the completed form with the payment receipt at the Department of Health Professions Education & Research, PMC. The slots for each activity are limited; the registration would be entertained on first-come-first-serve basis.
