

# PESHAWAR MEDICAL COLLEGE

Date: 29<sup>th</sup> January, 2021

## NOTIFICATION

It is notified for the information of all concerned that Peshawar Medical College will reopen from 1<sup>st</sup> February 2021 for students as per government notification.

All the classes and clinical rotations will resume according to the time table provided by DHPE&R.

The following measures need to be observed strictly in the college and hospitals.

1. Every Person in these premises should wear face masks and there is no exception.
2. No hand shaking and hugging
3. Physical distancing at all places.
4. Ensure frequent hand washing or sanitizing

HoDs should try to further divide clinical batches to minimize crowding.
