Subject: Transfer policy for students who qualified NEB 2021

Dear Principal

A number of students have qualified the NEB and have been declared as eligible for transfer to 1st year MBBS. Your institution has been identified as one that can accommodate 03 students since the students of your institution have achieved an average of above 85% in the recently held National Licensing Examination.

You are directed to allocate 03 seats above and beyond the 150 seats allocated to your institution recently for the subject students. These students for transfer to 1st year would apply directly to PMC and PMC will do the placements on these special seats. PMC will provide you with the details of such students as soon as possible. In the meanwhile, we expect you to upload your final merit list and admission list on the PMC portal as per timeline given.

Please note that this is a one-time special policy and is for admissions in 2021-2022 ONLY.

This letter supersedes the previous letter sent to you dated 4-1-2022 in which 100 seats were erroneously mentioned.

Dr. Syed Moin Ali
