

Peshawar Medical College seats increased form Hundred to One Hundred and fifty.

In a decision on writ petition by Peshawar Medical College the honorable Peshawar High Court ordered the Khyber Medical University to admit fifty additional students in Peshawar Medical College in the current academic session.

The PM&DC had already inspected the college in 2015 for enhancement of seats from 100 to 150 and the subsequently the Executive Committee and General Council of PM&DC approved the recommendation of the inspection team for enhancement of seats. However the notification of enhancement could not be issued and the college had filed a writ for issuance of notification.
