

PROSPECTUS OF PRIME INSTITUTE OF ALLIED HEALTH SCIENCES

Background information

Prime Institute of Allied Health Sciences (PIAHS) is a premier institution dedicated to preparing future healthcare professionals in Peshawar KP and Pakistan. Situated in the suburb of Peshawar, at Ghari Sherdad main Warsak road Peshawar. The institute is committed to providing exceptional education, empowering students to become skilled health care provider and leaders in the field of Allied Health Sciences.

With a firm belief in the transformative power of education, Prime Institute of Allied Health Science offers a diverse range of programs in various disciplines of Allied Health Sciences, including Health, Pathology, Surgical, Radiology and Dental technologies. The curriculum is designed to meet the evolving needs of the healthcare industry, integrating theoretical knowledge with hands-on practical training and clinical experiences, as per Medical Faculty curriculum.

At the PIAHS, we prioritize academic excellence, fostering an environment that encourages critical thinking, research, and innovation. Our dedicated faculty members are experienced professionals who are passionate about teaching and mentoring students, ensuring that they receive the highest quality education and guidance.

We understand the importance of a well-rounded educational experience, and thus, Prime Institute of Allied Health Science provide ample opportunities for co-curricular activities, professional development, and community engagement. Our students will actively participate in outreach programs, health campaigns, and community service initiatives, making a positive impact on society while honing their skills and compassion.

As an institute, PIAHS is committed to uphold the highest ethical standards and promote values such as integrity, respect, and empathy. We strive to cultivate a supportive and inclusive learning environment, where diversity will be celebrated, and students from various backgrounds will come together to learn and grow.

If you aspire to become a skilled allied health professional, the PIAHS is here to provide you with the knowledge, skills, attitude and opportunities to achieve your goals. Join us on this transformative educational journey, and together, let us make a difference in the field of healthcare.

Vision

To be a leading institute of Allied Health Sciences in the region, recognized for excellence in education, research, and community service, producing highly skilled and compassionate healthcare professionals.

Through a student-centered approach, we aim to foster critical thinking, evidence-based practice, and lifelong learning, enabling our graduates to make a positive impact on the health and well-being of individuals and communities.

Mission

Our mission is to provide quality education and training in Allied Health Sciences, equipping our students with the knowledge, skills, and ethical values necessary to excel in their chosen healthcare professions.

50 students will be in corporative in each semester.
